

# *Recruiting System*

## #1 Believe in the Opportunity

Believe in yourself and what Princess House can do for you and others. Don't prejudge anyone. Offer the opportunity to everyone and let them choose if Princess House is right for them or not.

## #2 Know the Benefits

Know how to do a commercial on the benefits of Princess House and how it applies to the lead. Make sure to not overwhelm the lead by giving her all the benefits of Princess House at once.

## #3 Investigate and Direct

Get to know the potential lead because the more knowledge you have the easier it is to relate the opportunity to her. Know what she wants from Princess House.

## #4 The What If Must Be Greater Than The Why Not

The recruit leads reasons to give Princess House a try must outweigh the things that are holding her back. Make sure to know her desires and what would hold her back.

## #5 The Close

Invite her to a meeting, a training class, or schedule a grand opening show for her. Re-confirm with her how excited you are for her and how she will benefit from Princess House. Then discuss the potential lead with your organizer.
